My dear .....

**Sub: Filling up of Group 'C' & 'D' posts.**

Hon'ble Minister for Railways in his press conference on 12.09.2004, has announced that about 80,000 posts relating to Safety, Security and Operational categories, which are at present vacant, will be filled up by the year 2006. It is necessary that your CPOs ensure that the requisite indents are processed immediately and sent to RRBs so that Chairmen, RRBs can make a programme to ensure that the announcement made by Hon'ble Minister for Railways is complied with positively.

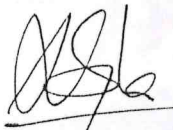

2. It has to be ensured that requisite SC/ST & OBC categories posts are also filled up and there is no shortfall in these categories. Earlier it has also been directed that the backlog of SC/ST & OBC posts shall also be filled up, for which a Special Drive is to be launched. As already indicated, for the OBC posts, a reference has been made to the DOP&T, and action in this regard may await their response. However, for the posts now to be filled up and for SC/ST shortfall vacancies, action should be taken immediately.

Yours sincerely,

(S.M. Singla)
