

GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS  
(RAILWAY BOARD )

...

No.E(NG)I-78/PM1/98(PNM/NFIR). New Delhi, dated 6-11-1979.

The General Secretary,  
N.F.I.R.,  
166/1, Panchkuian Raod,  
New Delhi.

Dear Sir,

Sub: Antidating of promotions of Sr.Wireless  
Operators in Gr.Rs.425-640(RS).

...

The case of payment of arrears to the Wireless Operators has been reviewed as agreed to in the PNM meeting held on 4/5.6.79, but it has not been found possible to agree to the request of payment of arrears in this case in view of the fact that although the posts f ll vacant on 1.8.76 and 1.3.77 and should have been filled by the Railway Administration from these dates, these could be filled up only in October'77. Since there was delay on the part of the Railway administration in filling up these posts, the matter was considered and the Railway administration was advised that the two employees, who had been promoted in October'77 should have been promoted on 1.8.76 and 1.3.77 and should accordingly be given proforma fixation in the Gr.Rs.210-380(AS) from the above two dates. In such cases according to the established policy, the arrears are not paid and higher salary is paid only from the date the incumbents actually assume charge of the posts. The maximum that could be done in such a case was only to grant proforma fixation of pay which has already been given.

Yours faithfully,

DA:Nil.
