**Sub: Recognition/Acceptance of Technical Certificate/Qualification
as Private candidate- regarding**

References have been received from a few Railway Recruitment Boards, seeking clarification whether candidates who acquire their technical certificate/qualification as PRIVATE candidate, from ITI with or without meeting requisite conditions, are acceptable at par with technical certificate/qualification acquired by candidate as REGULAR candidates.

The matter has been examined in consultation with Directorate General of Employment & Training (DGE&T) and it has been decided by the Board that private candidates be treated at par with the regular candidates, once they pass the requisite All India Trade Test of Craftsman Training Scheme (CTS). National Trade Certificates are issued only to passed out candidates, irrespective of whether they are regular or private candidates.

Please acknowledge receipt.
