Sub: Filling up of posts in para-medical categories in Group 'C' on contract basis.

In view of non-availability of regular staff as yet and with a view to avoid disruption of medical facilities, it has been decided by Board to extend the scheme beyond 30.06.2012 for filling up of posts in para-medical categories in Group 'C' on contract basis till 30.6.2013, on the same terms and conditions, as stipulated vide Board's letter of even number dated 01.02.2010. It must be ensured that reasonable gap is invariably given between successive contracts. Effort may also be made to appoint fresh candidates for the above contract. The extension will be subject to discharge of contractual staff immediately on joining of regularly selected candidates from RRBs.

2. This issues with the concurrence of Finance Directorate of the Ministry of Railways (Railway Board).
