OFFICE MEMORANDUM

Sub:- Out of turn allotment on medical grounds -
Inclusion of ailment of heart as eligible
disease and restriction of the members of
the family for the purpose of ad-hoc allot-
ment on the ground of Pulmonary Tuberculosis
and Cancer.

.....

The question of inclusion of ailment of heart as an eligible disease for out of turn allotment of general pool accommodation on medical grounds has been under consideration of the Government. The matter was also placed before the National Council (JCM) which agreed to it. It has accordingly been decided that heart ailment having the following symptoms should be included for ad-hoc allotment on medical grounds and the concession should be restricted to self ailment only, i.e. if the Government servant himself is suffering from Cardiac ailment as indicated below:-

"Heart ailments having symptoms of Grade III and Grade IV which includes serious disabilities like Angina Grade III and IV or congested Cardiac failure Grade III and IV or Malignant Hypertension with symptoms of Grade III and IV".

2. It has also been decided that with regard to eligibility for ad-hoc allotment on other medical grounds such as Pulmonary T.B. and Cancer, illness of parents and other members of the family should be excluded for the concession of ad-hoc allotment and illness of the Government servant and his own family i.e. wife/husband and the children should alone be considered for the concession of ad-hoc allotment on these two grounds.
3. Existing 5% reservation of vacancies in general pool for ad-hoc allotment on medical grounds and physical handicap would continue.

Hindi version will follow.
