RAILWAY BOARD

No.2017/H-1/4/17

New Delhi, dated 01.06.2017

The Chief Medical Directors
All Indian Railways &
Chief Medical Officers
All Production Units.

Sub: Mission Indradhanush- reg.

Ministry of Health & Family Welfare, Govt. Of India has launched **Mission Indradhanush** as a special drive to vaccinate all partially vaccinated or unvaccinated children under Universal Immunization Programme. The Mission has focused on interventions to improve full immunization coverage in India.

It is advised that all help should be extended to state authority and also carry out same for making Mission Indradhanush a success to ensure that the children of all railway staff and civil population of adjoining areas receive the vaccine.

It is in National interest to do everything possible to make this endeavour a success. All concerned working under you in the Zone/PU may kindly be advised to extend all possible help in this Mission.
