Meeting was held on 25.04.2019 with NHA officials and the points noted and action to be taken as indicated below.

In reference to above subject training has already been provided to all the officials for the implementation of Ayushman Bharat. As per National Health Agency officials only 51 hospitals have been empanelled till date. Remaining 42 hospitals are not been empanelled. And as per discussions with NHA officials the zonal officers had conveyed the following problems for not implementing the Pradhan Mantri Jan Arogya (PMJAY).

Sl.No.	Problems	Action
1	Non availability of hardware.	To be finalized CMS/DRM power. JPO to this already issued
2	Non availability of Pradhan Mantri Arogya Mitra	JPO already issued.
3	Non availability of dedicated account	Should be done in consultation with Finance Dept.
4	Lack of awareness among in the general public about the participation of railway hospitals in PMJAY.	Wide publicity in all prominent places.

List of hospitals which have not completed the empanelled process and other formality for implementation of Ayushman Bharat Scheme is being send on e-mail.

**This task should be completed by 05/05/2019 in coordination with NHA officials.**
