2019/6

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No.2019 H-1/2-7

New Delhi, dt. 19.06.2019

Principal Chief Medical Directors
All Indian Railways
PCMOs of PUs
All Indian Railways,
(including RDSO and NAIR)

Sub: Medical examination of Railway employees on their embodiment to Territorial Army and during Training Camps.

Arising out certain checks conducted by Vigilance, it has been noted that Medical examination of Railway staff on their embodiment to Territorial Army was conducted at Railway Hospital by Railway Medical Officers on requisition of the Administration Officer of Railway Engineers Regiment of Territorial Army.

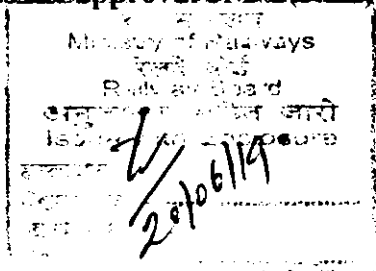

The issue has been examined in terms of provisions contained in **Indian Railway Medical Manual 2000**. The policy guidelines laid down in Chapter-V of Indian Railway Medical Manual, 2000 do not provide for such medical examination for fitness to join Territorial Army by Railway Medical Offices at Railway Hospital.

After careful consideration in the matter, it has been decided that fitness of railway employees for their embodiment in the Territorial Army as also during camps organized by Territorial Army, should be assessed by Army Authorities only.

Henceforth, no Railway Medical Officer will issue Medical Fitness Certificate to any railway employee for embodiment in Territorial Army as also during the training camps organized for such employees by Territorial Army.

The above provisions should be followed scrupulously.

This has the approval of DG(RHS).

Under Secy
(Dr. Vijay Kumar)
Executive Director Health (Plg.)
Railway Board.
