मुख्य चिकित्सा निदेशक,
सभी भारतीय रेलें

Sub : Absorption of disabled/medically de-categorised staff in
alternative employment.

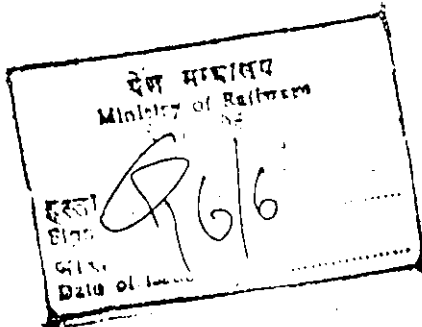

Ref : Minutes of Board's meeting held on 10th May, 2006.

Board, vide Para 3(i)(c) of the Minutes of their meeting held on 10th May, 2006, have decided that Railways should keep a watch over the trend of de-categorisation, so that the present figures do not get inflated. In order to ensure this, at least ten percent (10%) partially de-categorised cases should be re-examined by another Medical Board, not belonging to Divisional Hospital which initially declared them unfit.

Please ensure compliance and acknowledge receipt.
