Government of India
Ministry of Railways
(Railway Board)

No.2014/TG-IV/16/SAN/24/CCTV

New Delhi, dated 17.07.2014

The General Managers,
All Zonal Railways

Sub: Budget Speech 2014-15 - extending use of CCTVs at stations to monitor cleanliness activities.

During the presentation of Ministry of Railways, Hon'ble Prime Minister has observed that CCTVs at stations should be used for monitoring cleanliness, including the punctuality of cleaning staff. In this context, Hon'ble MR has also announced the extension of use of CCTVs at stations for monitoring cleanliness, during the Budget speech 2014-15.

Board desire that the CCTVs which are being installed at stations under ISS (Integrated Security System) scheme to be utilized for the purpose of monitoring the cleaning activities at station.

Zonal Railways may arrange for two monitoring stations i.e., for cleanliness and security, attached to the same CCTV system, wherever feasible or depute representatives of the department responsible for cleanliness to the security control room to collect, segregate and convert the footage into MIS format as per requirement.

Kindly take appropriate action and advise action taken in this regard.

This issues with the approval of Security and Health Directorates of Railway Board.

(A. Madhukumar Reddy)
Executive Director, Passenger Marketing
Railway Board.
