Sub:- Issue of medicines to Railway beneficiaries.

Detailed guidelines for issuance of medicines for patients suffering from chronic disease and also to those beneficiaries who are proposing to visit abroad has been issued vide Board's letter of even No. dated 09.12.2014 (Copy enclosed).

I would like to have the guidelines circulated among all concerned so that they are aware of the provisions laid down in this regard.

With best wishes,

Yours Sincerely.

No.2014/H/16/1/Medicine

New Delhi, dated 09.12.14

General Managers,
All Indian Railways (Including Pus).

Sub: Issue of medicines.

A number of suggestions have been received in Board from the end user of our health service. Based on it, Board has decided that

- For Chronic diseases (e.g. Hypertension, Diabetes etc) medicines to be issued for three months from Railway hospital / health unit subject to condition that the treating doctor feels that change of medicine is not required in next three months.
- For those who are going abroad then the medicine may be issued for a appropriate period exceeding three months on request with approval of hospital/ dispensary In-charge.
- Doctors should also follow good prescription habits – they should prescribe in pharmaceutical/ generic name to avoid any confusion.

For implementing the same if more financial power / local imprest is required same to be given to Chief Medical Directors/ Medical Directors/ Sr. DMOs who are In-charge of Hospital/ Dispensary with the concurrence of Zonal finance.
