

GOVERNMENT OF INDIA  
MINISTRY OF RAILWAYS  
(RAILWAY BOARD)

No. 2013/Elect(G)/150/13/Pt.I

New Delhi, Dt.16.03.2020

**Principal Chief Electrical Engineer**  
All Zonal Railway & PUs

**Sub: Prevention of Coronavirus (COVID-19) disease.**

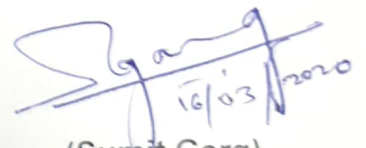

In view of threat of Coronavirus (COVID-19) disease, it is important that all areas which come in direct contact with passengers and staff are properly cleaned/sanitized. Railways to identify such points and take immediate necessary precautionary measures.

Following contact points at stations, offices and service buildings to be invariably taken up for cleaning/sanitization:-

- a) All the handrails, emergency stop buttons and other contact points on escalators.
- b) All the operating buttons and handrails in and near lifts.
- c) Switches of lights, fans and mobile charging points.
- d) Water-cooler taps.
- e) Any other contact points deemed fit.

Wide publicity of preventive measures in the form of posters (A4 size) in Hindi & English may be given.

Action taken on above may kindly be advised to this office.

(Sumit Garg)

Director Elect. Engg. (PS)
