**Sub:- Revival of deleted works in IRPSM portal- instructions reg.**

It is observed that over the last few months, there has been an increasing trend in the requests for revival of works deleted from IRPSM Portal.

2. IRPSM portal has been designed to facilitate online loading & forwarding of "New Works" proposals alongwith Modification to "Woks in Progress" from Zonal Railways and PUs to Railway Board for printing of Works Programme, Pink Book and other Sanction books after processing & Sanctions of Projects. Also, monthly updation of status of work for 'Efficient' monitoring of Physical & Financial progress of works. Accordingly, it is expected that the work proposed for deletion from IRPSM is finalized duly taking into account the physical, financial progress and completion of the project and not mere to reduce the throwforward of projects in shelves.

3. It is, therefore, advised that request for deletion of works from IRPSM portal should invariably be processed duly taking into account all the relevant aspects. Request for revival of deleted work in IRPSM would be considered only in rare and exceptional cases, provided that the detailed justification is duly vetted by PFA alongwith appropriation of fund arrangement for revival of work approved by General Manager.
