Sub: Distribution of Mobile/Hand held devices and Provision of 3G connectivity (Data SIMs) under CMM Phase-I.

- Ref:(i) GM/CMM's L. No. 2021/CRIS/ NDLS ITPI/ CMM/ PROCUREMENT/CDMM/0208/PT-I dated 19.05.2022.
(ii) GM/CMM's L. No. 2021/CRIS /NDLS-ITPI/ CMM/ PROCUREMENT/ CDMM/0208/ PT-I dated 18.05.2022

Vide letter under references above, CRIS has intimated that the detail estimate of provision of 662 numbers of "Mobile/Hand held devices" for 65 coaching depots and 3G connectivity (Data SIMs) for these mobile devices was sanctioned by GM/NR for the work of "Maintenance modules for Coach Depots Phase-I under plan head-17 pink book No. 138 of 2016-17".

It has also been indicated that it is not feasible for CRIS to collect all ID proofs or track the activation of the SIMs needed for Mobile devices vide ref (i).

In this regard it is clarified that, these mobile/hand held devices may be distributed to Zonal Railways which will be used by supervisors already possessing Data SIM along with CUG numbers (already provided by Railways).

Further, vide reference above (ii), CRIS has asked to review the distribution of 662 mobile/Hand held devices across field locations as per current requirement.

In this regard, it is advised to propose revised distribution keeping wider application of CMMS over IR and related monitoring at HQs and Railway Board.

For necessary action please.
