WR and ECoR have intimated that adequate funds are not available against the Fire Safety RSP works and submitted their fund vide letters under reference (ii) & (iii). Other ZRs are also advised to review their fund requirement for Fire Safety works and submit to this office so that re-appropriation proposal can be moved at Board level.

Fund requirement for RSP M(C) works other than Fire Safety works will be sought from ZRs at next Budgetary Stage, i.e. RE Stage.
