No. 2024/M(C)/142/2

General Managers  
All Zonal Railways

Managing Director  
CRIS, Chanakyapuri

**Sub: Commissioning of new coaches on CMM.**

LHB coaches manufactured across Production Units are allotted to different Zonal Railways for either augmentation of existing services or conversion of rakes from ICF to LHB.

During interaction with Zonal Railways, it has been observed that coaches turned out from Production Units for nominated Railways are being utilized by other Zonal Railways for a substantial duration, sometimes even without commissioning of these coaches on CMM. This defeats the entire planning of conversion of rakes from ICF to LHB, as multiple coaches get held up for want of some variants.

In order to keep a check on this, it has been decided that BPC generation on CMM without commissioning of coaches will be allowed for only one month post turn out of new coaches from PU. During this period whenever a BPC is generated for these coaches, an alert should also be displayed on CMM indicating that "BPC is being generated for Coach no. \_\_\_\_ without commissioning at present. Commissioning to be done by Nominated Zonal Railway." Thereafter, BPC generation on CMM will be permitted only after commissioning of the coaches is done on CMM by the Zonal Railway, to which the coaches have been allotted.

CRIS is advised to incorporate necessary changes on CMMS for the same w.e.f. 01/05/2024. In case the coaches have been transferred to a particular Zonal Railway, they may approach Board for change in owning Railway on CMM.

Further, CRIS is also advised that a detailed report consisting of coaches which are running across IR without getting commissioned on CMMS, to be prepared and sent

to this office by 09.04.2024 positively. A copy of reply may be shared on [somech538@gmail.com](mailto:somech538@gmail.com).

For further necessary action, please.

 08/4/24.
