

भारत सरकार GOVERNMENT OF INDIA

रेल मंत्रालय MINISTRY OF RAILWAYS

रेलवे बोर्ड (Railway Board)

No. 1996/M(C)/141/77

New Delhi dated 11.09.2017

Chief Mechanical Engineer,
All Zonal Railways.

Sub: Quick watering arrangements.

A number of complaints are being received from the passengers regarding inadequate watering of trains. Apart from this, it has also been decided by Board that trains have to be speeded up. As a result of this, the stoppage at the stations would also be reduced. In order to ensure that trains are fully watered at the nominated stations, keeping in view the reduced stoppage time, options like mechanized watering arrangements have to be explored.

2. In this connection, a machanised quick watering arrangement has been developed and successfully implemented at Erode in Southern and Vijayawada in South Central Railways.

3. It has been decided by Board that Zonal Railways should immediately process for provision of quick watering facilities on the lines provided by Southern and South Central Railways at the watering stations under their jurisdiction so as to ensure that not only coaches are fully watered but also in the least possible time.
