

भारत सरकार GOVERNMENT OF INDIA
रेल मंत्रालय MINISTRY OF RAILWAYS
रेलवे बोर्ड (Railway Board)

No.2010/M(C)/137/2

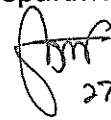

New Delhi dated 27.12.2017

Principal Chief Mechanical Engineers,
All Zonal Railways.

Sub: Modification of coaches and other PCVs & OCVs.

It has been observed that modifications to the coaches, other PCVs and OCVs are being carried out by departments other than Mechanical. Board has taken a serious view of this trend. Modifications/changes to the rolling stock may affect their safe running and as such require careful working by people who have knowledge of the various components of the rolling stock. Any change/modification in one part of rolling stock may lead to some serious impact on the other components/systems.

2. As such, it should be ensured by all the Zonal Railways that any modification/change in the passenger carrying vehicles and OCVs should only be carried in the nominated workshops/depots by officials of the Mechanical Department under guidance and approval of concerned Officer of Mechanical Department.
