Sub: Design & infra issues in Train Set – 18 rake under development at ICF
Ref: (i) GGM/Ops-I letter No.2018/IRCTC/PCU Project dated 25.03.2019

In reference to subject meeting comments have been received from IRCTC. During the meeting need to re-assess the mini-Pantry space requirement after rationalization of equipment / consumables was stressed. However, it is seen that vide IRCTC letter dated 25.03.19 {ref (i), item 5} the issues has not been clarified.

An early response in this matter will be appreciated.
