(रेलवे बोर्ड RAILWAY BOARD)

No.97 /M(C)/137 1 vol(xii)

New Delhi, dated: 4.02.2019

**Principal Chief Mechanical Engineers,
All Zonal Railways**

Sub: Replacement of Muff design CBC of M/s FTRTIL with integral shank design CBC.

Ref: M/s Faively Transport's letter No. FTRTIL/MKTG/OE/RB/CBC-Muff Failure dt.18.01.2019 (copy enclosed).

It has been informed by M/s Faively Transport vide reference letter that the MUFF design CBC is frequently appearing for breakage of guiding bolt. They have also agreed to replace all Muff design CBC's with CBC-BDG of integral shank at no additional cost (free of charge). In this connection, following should be ensured on top priority:

1. Identification of Faively make CBCs of Muff design already fitted on coaches. M/s Faively should be contacted to replace these free of cost on top priority.
2. Faively make Muff design CBC stock available should not be provided on coaches. Available stock should immediately be got replaced from M/s FTRTIL free of cost.
2. M/s FTRTIL has already been advised to get in touch with the Railways and ensure speedy replacement of the defective CBCs.
