**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
RAILWAY BOARD**

No.2017/M(C)/58/2

New Delhi, dated 18th December 2017

**The Pr. Chief Mechanical Engineers,
All Zonal Railways**

Sub: Providing dustbins in bio-toilets

Instructions exist that dustbins are to be provided in bio-toilets of new coaches and also of in-service coaches in mission mode. This item is being given highest priority to address the problem of foul smell reported by passengers. This is also one of the items on Dashboard with AM/ME as coordinator. The target date for completion of this item is 31/12/2017.

All Zonal Railways may please confirm that all the coaches after prime maintenance are provided with dustbins in the bio-toilets and further that the work will be completed as per the target date by 31/12/2017.

To monitor the progress of this important item, a Google sheet has also been created. While most of the Railways are updating the position, some of the Railways are not doing so. PCMEs of all Railways may please ensure that the updating of this position is regularly done both on Google sheet and also Dashboard.

This may please be treated as urgent.
