No. 96/ M(C) /165/22 vol. (ii)

New Delhi, Dated: 25.09.2019

The Principal Chief Mechanical Engineers
All Zonal Railways

Sub: Provision of pop riveted type Braille signage in all type of coaches.

During video conference held on 12.09.19, it has been learnt that sticker type Braille signages are being provided in the coaches. However, inadequate life of the same has been reported in comparison to pop riveted Braille signages.

Accordingly in this regard it has been advised to provide pop-riveted Braille-signages supplied from approved sources of Production units only.

Zonal Railways may take necessary action in this matter.
