**Principal Chief Mechanical Engineers,
All Zonal Railways.**

Sub: Release of fit coaches only to other Railways.

There has been a practice for temporary transfer /balancing of coaches between Zonal Railways as per immediate traffic requirement. Recently, while balancing of LSLRDs and LWLRRMs for immediate utilization of coaches for LHB conversion unfit LWLRRM coaches have been dispatched to NWR, which has caused difficulty in managing with shortage of LWLRRM coaches.

In this regard it is advised to dispatch only fit LWLRRMs and other coaches while transferring coaches to other Railways to cater immediate traffic requirement.
