

No. 2023/M(C)/141/1

(E-File No. - 3420449)
New Delhi, Dated-08.02.2023

General Managers,
ICF, RCF, NR and WR

Director General
RDSO/Lucknow

Sub: Maintenance of Passenger Rolling stock on IR.

In reference to the subject above, a committee is constituted consisting members as below:

- | | |
|---------------------|------------|
| 1. CDE/Mech./RCF | - Convener |
| 2. CDE/Elect./ICF | - Member |
| 3. ED/Carriage/RDSO | - Member |
| 4. ED/PS&EMU/RDSO | - Member |
| 5. CRSE/Coaching/NR | - Member |
| 6. CESE/NR- | - Member |
| 7. CEE/RS/WR | - Member |

With the terms of reference as below:

- To review the maintenance activities/process of all major assemblies/ components like RMPU, DG sets, Propulsion equipment, Hydraulic Dampers, Bio-Vacuum toilet, Bogie, Axle Box Bearings, Fire detection cum Alarm System, Fire detection cum Suppression system etc. of all types of Passenger rolling stock (LHB, ICF, EMUs/MEMUs/ Vande-Bharat etc.) and to examine to get it done through OEMs under CAMCs/AMCs. The list is indicative and the committee should review for other items also as per requirement.
- To examine and recommend items for which rate contract for entire IR for supply/maintenance of the components can be issued. The agency to execute such rate contracts may also be proposed.
- To examine and suggest a model of procurement on long term contract, and engaging OEMs for maintenance of these items at the time of supply itself, ensuring proper functioning of the item throughout the declared service life, considering life cycle cost analysis or any other suitable techno-commercial analysis.

The committee is permitted to co-opt any other member i.e. CWM etc. as per need.

The committee is further advised to submit report by 15.03.2023.

The above has the approval of Board (MTRS).
