No. 2017/M(C)/137/4TrainSet

(E-File No.3324136)
New Delhi, Date: 23.08.2023

General Manager
ICF, Chennai

Sub: Training on Vande-Bharat Trainsets.

Thirty-one Vande-Bharat Trains are running over IR network and further proliferation of Trainsets across Zonal Railways is happening at rapid rate. It is more than necessary to ensure that adequate qualified & competent trained personnel are available for regular scheduled Maintenance Vande-Bharat rakes and for inspections of its various sub-assemblies like propulsion, controls, brake system, plug doors, electrical system, vacuum toilets, TCMS and earthing system etc.

In this regard, ICF is advised to plan structured skill development training sessions in consultation with various OEMs incorporating feedbacks received from Zonal Railways where Vande Bharat trains are presently in operation.

The training module shall be designed to facilitate learning and effective understandings of train maintenance and operation, containing theoretical as well as practical sessions, including various protocols to be followed in case of any unusual and related safety to be followed while working on the train.

The matter may be treated as Most urgent and action plan with detailed training scheme may further be shared with Board for necessary appreciation in the case.
