No. 2007/M(C)/141/1

New Delhi, dt. 20.01.2015

**The General Managers,
All Indian Railways**

CMD, KRCL, Navi Mumbai

**Sub: Periodical Overhauling periodicity of camp coaches attached to
Track Machines.**

Presently railways are carrying out IOH/POH of camping coaches at an interval of 12/24 months in term of Board's letter of even no. dated 03.11.2008. WR and SCR had requested to review of POH periodicity of camping coaches in view of their extremely low utilization.

Accordingly the matter has been considered by Board (MM) and it has been decided that IOH and POH of camping coaches attached to Track machines may be carried at an interval of 2 year and 4 year respectively, subject to compliance to Board's instruction regarding their periodical certification by TXRs, issued in terms of Board's letter no. 2002/Safety-I/23/4 added 13.08.2003.
