New Delhi, dated 4.03.2015

Integral Coach Factory, Chennai.
All Indian Railways.
Metro rail, Kolkata.

Sub: Provision of J-Hooks in Suburban Railway Coaches.

Ref: Email by Committee Member, Shahad Passengers' Association to Hon'ble MR & CRB.

Ref above, there has been a demand for provision of J-Hook type arrangement for hanging bags by the passengers in EMU type coaches. This issue has been examined in the Board and ICF is therefore advised to develop a suitable design of J-Hook type arrangement below luggage shelf and end-wall at suitable locations for provision in newly manufactured EMU coaches. Besides, Carriage Alteration Instructions (CAI) should also be circulated to zonal railways for implementation in existing EMU coaches. Zonal Railways are advised to arrange to provide these J-hooks, as per CAI issued by ICF, expeditiously.
