Metro Rail Corporation, Kolkata.
Chairman- cum- Managing Directory,
KRCL, Mumbai.

Sub: Provision of Surveillance camera on coaches
Ref.: This office letter of even no dated 25.07.2014

Vide Para 31 of the Budget Speech 2015-16 of Honourable MR, it has been pronounced that surveillance cameras will be provided on coaches in selected mainline coaches and ladies compartment of suburban trains for safety of women passengers without compromise on privacy.

Vide above referred letter, ICF was advised to develop technical specification for provision of CCTV camera on mainline as well as suburban coaches and also plan for provision on prescribed number of new manufactured rakes. ICF need to finalise and circulate the specification to railways at the earliest.

In the recent special Board meeting dated 15.12.2014, action plan for provision of CCTV cameras was further discussed and decided that Mechanical Coaching dte. shall be the nodal Dte. for this project for making specification, installation on coaches and maintenance. However, maintenance of CCTV camera on EMUs in open line will be done by Electrical Department. Railways are accordingly advised to apprise the progress on this project on their railway to EDME/Chg/Railway Board henceforth.

Further, railways are advised to provide information regarding all trains running with earmarked accommodation for ladies passengers in the above format given below:

Sr no	Train No	From	To	Train Composition	No of coaches	No. & Type of coaches earmarked for ladies compartment

This may be treated as urgent.

(Prashant Kumar)
Director Mech Engg (Coaching)
Railway Board
