No. 2014/M(L)/467/3 Pt.

New Delhi, dated 20.07.2015

Chief Mechanical Engineers,
All Indian Railways.

SUB: Filling up the posts of Loco Inspectors.

While reviewing the running staff and supervisors' position, it is observed that about 27% of Loco Inspectors (LIs) are lying vacant as on 01.04.2015. Railways which are having vacancies more than IR average of 26.3% are ECR (52.3%), NCR (39.1%), WR (33.1%), NFR (33.0%) and NR (29.2%).

As the vacancies of LIs are adversely affecting the smooth train operation in Zonal Railways, it is advised that all Zonal Railways should take necessary action expeditiously for filling up of the vacancies of LIs and should submit a report on action taken in this regard, to this office by 17.08.2015.
