

GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)

No. 2015/M(L)/467/2

New Delhi, dated 28.08.2015

Chief Mechanical Engineers,
All Indian Railways.

Sub: On Line Diesel Punctuality Software Module for monitoring of Diesel
Punctuality

In order to monitor diesel punctuality, an online punctuality module has been developed and is currently hosted on RAIL NET at URL http://10.255.244.238:8090/punct_info_system. On this module, PRC of Railway Board will enter diesel punctuality cases and respective shed/Railway have to enter failure analysis of these cases.

User Name and Password for individual Railway and Sheds who have different roles in data inputs are being sent through email.

It is requested that ZR HQ and Diesel Shed update data pertaining to their shed/Zonal Railway on daily basis so that analysis of diesel failures can be done on real time basis.

It is expected sheds/railways will come up with suggestions to further improve it.
