Sub: Shield for best maintained Running Room

It has been decided that a Running Shield would be awarded at the Board's level during the Railway Week's function for the best maintained Running Room. The modalities for adjudging the winner would be as follows:

- i) Each ZR will propose one 'A' category Running Room of their Zone and make a 15 minute presentation, outlining the improvements and innovations made by them. These presentations will be made in the Board's office sometime in the month of December.
- ii) Based on the presentations, 5 Running Rooms will be short listed and visited by a multi-disciplinary team of the Board in January.
- iii) The best Running Room would be awarded a Running Shield. Suitable cash awards would be given to the winner and the 2nd and 3rd placed Running Rooms.

2. Detailed norms for awarding of points are under finalisation and will be circulated shortly. In the meantime, the Railways may keep themselves in readiness for making the presentation as and when advised by the Board.
