MINISTRY OF RAILWAYS
RAILWAY BOARD

New Delhi, dated: 21.08.2012.

No.2012/M(W)/814/5.

The Chief Mechanical Engineers,
All Indian Railways (Open Line),

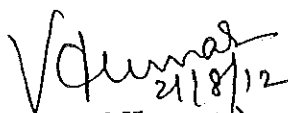

Sub : Monitoring of the quality issues in POHed stock.

Member Mechanical on his inspection of All workshop on 18.08.12 was informed that NWR has instituted a system in which all cases of failure of locos within 180 days of POH, coach failures within 100 days of POH and wagon failures within 90 days of POH are also attended by the concerned workshop staff who are relayed the failure message immediately by the Divisions (by means of SMS).

This practice should be instituted on other Railways as well and all workshops staff be advised to also attend such cases and take preventive action in future.
