D.O.No.2001/M(W)/814/17/PT/RSRC

19-8-2013

My Dear General Managers,

As you are aware, Railway Safety Review Committee in their Part-II Report has made certain recommendations for improving the workshop infrastructure which included segregation of funds for maintenance of Engineering infrastructure and posting of Engineering officials in the workshops. The same was also advised to General Managers vide the then CRB's D.O. No.2001/M(Safety)/7/11/RSRC/Part-II/101 dated 4-8-2004.

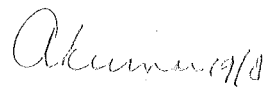

Proper upkeep and maintenance of Engineering assets/ infrastructure plays a crucial role in achieving the quality of maintenance of rolling stock in the workshops. It is, therefore, inescapable that requisite attention is paid to this aspect.

Board has issued a Joint Procedure Order (JPO) dated 7-12-2012 on maintenance of Engineering Infrastructure for Implementation over Zonal Railways, including induction of Engineering officers under the CWMs exclusively for the purpose.

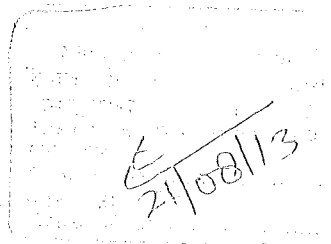

I would like to be apprised of the action taken on your Railway on implementation of the said JPO at the earliest.

With best wishes,

Yours sincerely,

(Arunendra Kumar)
