

**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS
(RAILWAY BOARD)**

No.: 2014/M (W)/645/2

New Delhi, dated: 06/03/2017

The Chief Mechanical Engineer

Central Railway, Mumbai

Eastern Railway, Kolkata

Northern Railway, New Delhi

North Western Railway, Jaipur

South Eastern Railway, Kolkata

Southern Railway, Chennai

Sub: Inspection of locomotives undergoing POH in workshops

In course of reviewing the Action Taken Note (ATN) submitted for C&AG's Report no. 25 of 2013 ("Maintenance of locomotives in Indian Railways"), audit has observed that to minimize failures of locomotives within 180 days of POH, steps must be taken to strengthen inspection of locos during POH to ensure better workmanship.

In view of the above, it is requested that workshops undertaking POH of locomotives on your railways be advised to immediately put in place a system of inspection, including focused in-process inspection based on failures analysis, with provision of suitable records of the same.

Implementation of the same may be confirmed to Board.
