2. The proposal for creation of one Gr. B work charged post of Assistant Programmer has not been agreed to by Railway Board.
3. This issues with the concurrence of the Finance Directorate of the Ministry of Railways.
4. Board (FC) has taken a very serious view for not sending the proposal in time by the Railway. South Western Railway is therefore, advised to send proposal for extension of currency of the HAG/SAG work charged posts well in advance before expiry of currency of posts, rather than taking post facto approval.
