CRB & CEO had recently conducted a Review Meeting on HR issues. Targets along with time frame have been decided on various HR aspects including Mission Karmayogi. The Action Points in r/o Mission Karmayogi include –

- Populating iGOT with railway centric Courses; and
- Creating & publishing railway related Case studies on iGOT portal.

2. To populate iGOT with railway specific courses, an Umbrella Work – ‘Creation of Digitised Railway Learning Contents for iGOT Mission Karmayogi Platform’ has been sanctioned at a cost of Rs. 60 cr under PH-65 through Supplementary Demands for Grants, 2022-23. The same stands distributed amongst Zonal Rlys & NAIR/CTIs and considerable outlays have also been made for current fiscal.

3. **Action Point 1(a)** – A Workshop on “Mission Karmayogi” was conducted on 20th June, 2023 to apprise railway units the broader aspects of the initiative and provide a roadmap to implement the same across IR. During the Workshop, the process of onboarding of railway personnel and creation & publishing of railway centric contents were also detailed. For the workshop, a Concept Note along with Action Points was circulated to all Zonal Rlys/CTIs. W.r.t. content creation, following action points/targets were laid down :

For each Zonal Railways	Modules (as per iGOT format/standards) of minimum 10 hrs.
For CTIs	Modules (as per iGOT format/standards) of minimum 100 hrs.

4. **Action Point 1(b)** – Presently, CTIs purchase case studies from IITs/IIMs for teaching purposes with limited scope/usage. However, there is a need for in-house preparation of Case Studies on aspects of Railway developments. CTIs faculty may take a lead in preparation of case studies and for the purpose, they may associate with IITs/IIMs/Industry experts.

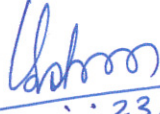

...contd/-

4.1. In the line with target fixed by Board, each CTIs need to prepare minimum 2 case studies and publish them on iGOT by 31.03.2024.

4.2. Zonal Railways may identify the officers capable of preparing case studies and encourage them to prepare the same for their publishing on iGOT portal.

5. The NPCSCB Cells, Zonal Railways and CTIs are requested to take necessary action on both the above Action Points. A Status Report needs to be provided for each month starting from August, 2023 by 5th of every following month at npcscbcell.rb@gmail.com.

6. This issues with approval of the competent authority.
