**Sub: Mission Karmayogi - On-boarding on iGOT Karmayogi
Digital Platform.**

Ref: Board's letter No. 2020/E(Trg)/30/14 dated 24.03.2021

Kindly refer to the Railway Board's letter of even number dated 24.03.2021 conveying Board's decision for rolling out of Mission Karmayogi initiatives across Indian Railways and an Action Plan for effective implementation of the same through an NPCSCB cell to be created over each railway unit.

2. DoP&T have developed a digital platform - iGOT Karmayogi.
 - i. It will serve as digital market place where carefully curated and vetted digital e-learning contents will become available as training modules on anytime, anywhere basis.
 - ii. It will provide the platform for onboarding of user officials to enable them to access the learning contents available on it.
 - iii. It will ultimately become the resource for ensuring transition from rule based system to role based system by identifying competency gaps and providing training solutions to bridge the same thereby enabling a position holder to discharge his/her duties more effectively.
3. The iGOT platform is consistently being populated with contents/courses by various Ministries/Departments/CTIs. From MoR side, Railway Board has nominated NAIR and other Central Training Institutes (CTIs) for creating railway related courses and publishing the same on the iGOT Karmayogi platform. Soon, railway officials too will be enabled to use their knowledge, experience and expertise in developing courses and publish it on the platform subject to approval of the respective CTIs.

4. With a view to disseminate the knowledge available on the iGOT platform, Mission Karmayogi Team/DoP&T has shared a link with all Government employees through their official mail IDs and provided them access to self-onboard as 'user' on iGOT Karmayogi digital platform.

5. The respective nodal officers from railway units are requested to further proliferate sharing of link by Mission Karmayogi Team with individual officials and direct them to on-board themselves on the iGOT platform and utilize the platform for enhancing their knowledge.
