

**Government of India
Ministry of Railways
(Railway Board)**

No.2003/Safety(DM)/6/3

New Delhi, dt. 27.07.2010

The Chief Safety Officers,
All Indian Railway,

Sub:- Mock Drills on Disaster Management.
Ref:- CRB's letter dated 29.04.2009.

Vide above mentioned letter, directions had been given to the Zonal Railways that Mock Drills may be conducted on Disaster Management on each Division/Zonal Railways involving NDMA and NDRF as also Officials of the State Government and District Administration.

In a meeting held with the NDMA on 26.07.10 to review the preparedness of the railways it was brought out that mock drills have not been conducted by a number of Zonal Railways/Divisions. It was mentioned that out of 180 mock drills initiated by NDMA in the last one year, in only 12 there was participation of the railways. This could perhaps have been due to non-receipt of information of the mock drills in some cases as also Railways not involved in a few other cases.

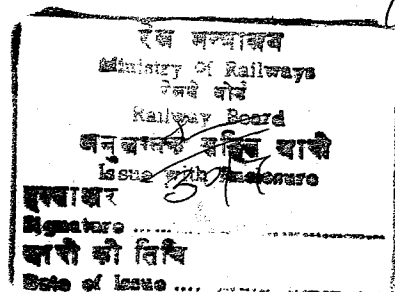

The NDMA issues on an yearly basis, a calendar of mock drills (mock exercises) planned to be conducted at different locations. At some of the locations it is proposed to conduct more number of drills, for example, due to Commonwealth Games a number of drills are proposed in Delhi. A copy of the schedule of the mock drills proposed by NDMA is enclosed.

These drills will be on other than Train Accident cases; hence the Safety organization may conduct a mock drill within the next 2 months on a Railway related disaster (Train Accidents). Subsequently such mock drills (on Railway related cases) are to be conducted once every 6 months.

Zonal Railways may also advise the divisional officers to take part in the mock drills in coordination with the representatives of NDMA as also NDRF battalions located nearest to the divisional offices.

Encl: As above
