D.O No.2010/Safety(A&R)/26/11

My dear Tayal,

Sub: Status of working of Anti Collision Device (ACD) on Konkan Railway

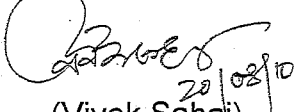

It has been brought to my notice that the ACD installed on Konkan Railway is almost non-functional on date. Since ACD is a safety device it is essential that its performance is closely monitored and every effort is made to keep it functional.

You may co-ordinate with the Zonal Railways and respective Directorates in Railway Board to ensure that ACD is made fully functional on Konkan Railway. Any impediment in achieving this should be brought to the notice of the Safety Directorate.

I would like a report on the action taken.

With best wishes,

Yours sincerely,

(Vivek Sahai) 20/08/10

Shri Bhanu Prakash Tayal,
Managing Director,
Konkan Railway Corporation Limited,
Belapur Bhavan,
Plot No 6,
Sector-11, CBD Belapur,
