dated: 29.09.10

भारत सरकार रेल मंत्रालय, (रेलवे बोर्ड) नई दिल्ली-११० ००१ **GOVERNMENT OF INDIA**

MINISTRY OF RAILWAYS

(RAILWAY BOARD) **NEW DELHI-110001**

Dear Ms. Ashima Singh,

Sub: Modification in Training of IRTS Probationers.

MT has approved the training programme of IRTS Probationers as indicated in the table under the column Recommended Training (Training as suggested by Adviser (Safety)/IRITM). A copy of the recommended training which has been approved by Board is enclosed.

While approving the revised training schedule of IRTS (Probationers), MT has observed that it would be desirable that the IRTS Probationers join by first week of July, so as to ensure the availability of officers at the earliest, as the cadre is presently short of officers. He has further directed that allotment of zones to the IRTS Probationers should be finalized by the end of August. The field training can then be organized in their respective zones allotted to them. Coal area training, steel plant training, suburban and port training will be common for all Probationers.

The Training Directorate will be issuing instructions to IRITM for necessary action. In the meantime I am advising of the above decision for implementation for the IRTS batch presently under training. In case of any query you may like to follow up with AM/T, who is the cadre controller officer.

Best wishes.

Yours sincerely,

(Kamlesh Gupta)

Encl: As above.
