One of the Zonal Railways has made a reference to Board seeking exemption from implementation of some of the provisions contained in Board's letter referred above. The matter has been examined. Board (MT/CRB) has directed that the instructions contained in Board's letter dated 23.08.2010 are required to be strictly implemented by the Zonal Railways. It has been further directed that the Zonal Railways should evolve and organize an effective monitoring system. The proposed changes should also be taught to concerned staff while undergoing initial/promotional/refresher course at Zonal Railway Training Institutes.

Railways may therefore comply with the instructions contained in Board's letter dated 23.08.2010 in its true spirit as directed above.
