New Delhi

Sub : Equipments to be maintained at Traffic LC gates.

**Ref : (1) Dy. COM(Spl), Northern Railway's letter No.403-T/86/GW/
Pt.IV/Loose/III/Optg./Rule dated 30.08.2010**

(2) Board's letters of even number dated 8.5.2002 and 24.09.2010.

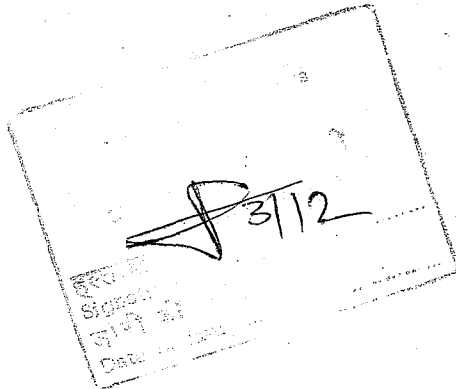

Working Instructions for Manned Level Crossing gates were prescribed under Board's letter dated 08.05.2002 referred above. The list of gate equipments to be maintained at Level Crossing gates was also prescribed therein. Vide Board's letter dated 24.09.2010, COMs, in consultation with PCEs, have now been empowered to frame Working Instructions for all type of LC gates depending upon local conditions prevailing over their system. Accordingly, COMs, in consultation with PCEs, may also prescribe the gate equipments to be kept at individual LC gates depending upon conditions prevailing over individual LC gates.
