**CIRCULAR**

Please refer to Board's Circular of even no. dated 16-03-2020 regarding 14 days home isolation of employees who have returned from foreign countries. It has now been decided that the employees' family members (residing with them in their home premises) who have returned from foreign countries should also voluntarily be in home isolation for 14 days from the date of arrival from abroad.

2. Further, irrespective of any foreign travel or not, in case any family member (residing with them in their home premises) is suspected to have symptom(s) or is suffering from illness of COVID-19, the employee should voluntarily be in home isolation for 14 days, and if required, beyond the above period, as per the health advisories being issued by the Government from time to time.

3. As a measure of extreme caution, all the Officers and Staff are advised that they shall report for duty in office only when they and/or their family members (residing with them in their home premises) are totally free from any symptom(s)/illness of COVID-19.

4. In addition to para 2 of Board's earlier Circular of even no. dated 16-03-2020, it is stated that a serious view will be taken if any misleading information is given or any vital information is withheld in this regard.
