MESSAGE

I would like to extend my heartfelt wishes to all the members of the Indian Railway family, on the occasion of "International Workers' Day". This day is celebrated internationally as a tribute to each and every person whose contribution keeps the wheels of industry moving.

The dedication and hard work of our 14 lakh strong Railway family, has helped in making Indian Railways a true Lifeline of the Nation. Each Railway person toils day and night, round the year, for ensuring uninterrupted Railway operations. I salute their commitment and contribution towards the Nation. I take this opportunity to reiterate my commitment to the welfare of this vast Railway system, and will continue to work towards providing better social security and congenial working environment for every member of the Railway family.

I express my solidarity with the struggle and cause of workers everywhere, who lay the basic foundation of progress and prosperity achieved by mankind, by their hard work and commitment.

Jai Hind!

(Mukul Roy)
