My dear ~~By Name~~

Sub: Regular meetings with Members of Parliament at Zonal and Divisional levels.

I would like to draw your attention to Board's letters dated 27-12-2010 and 08-12-2011 wherein it was desired that regular meetings with Members of Parliament (at least twice a year) be held regularly by the General Managers and Divisional Railway Managers at the Zonal and Divisional levels, so that the railway related problems/issues pertaining to the Zone/Divisions are mutually discussed and satisfactorily resolved. Despite this, complaints are being received that such meetings are not being held regularly or adequate notice is not given to Members of Parliament to enable them to attend the meetings.

Considering the seriousness and importance of the matter, I would urge that meetings with the Members of Parliament in the jurisdiction of your Zonal Railway be held regularly giving sufficient notice so as to ensure that local issues and problems are discussed and solutions found.

The details of the number of such meetings held at the zonal level and on each of the Divisions during the years 2010, 2011 (January to December) and 2012 (January to August) may also be advised.

A report of compliance may please be sent immediately.

The receipt of this letter may also be acknowledged.

With best wishes,

DA: As above

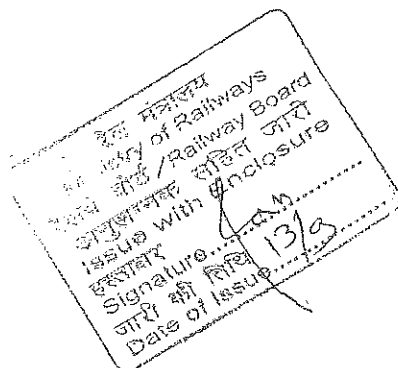

Yours sincerely,

Vinay Mittal
