DIRECTIVE - 15

It has been brought to my notice in a complaint which appears to be broadly justified that tests are held for selection at the places like Delhi, Bombay, Calcutta and Madras, where no proper arrangements are made for the stay of the Constables, Head Constables, Asstt. Sub Inspectors and Sub Inspectors coming for selection. It is hereby directed that where the number of candidates for any selection, examination, DPC, etc. is more than 50, such tests should be held outside in some Divisions by the Chief Security Commissioners/Divisional Security Commissioners. It should be ensured that only best people are selected. Proper arrangement for boarding and lodging and transport should be made for the candidates when tests are held at Divisional Hqrs. Proper places should be selected for conducting such tests other than metropolitan towns or big towns.
