

9-1

GOVERNMENT OF INDIA (भारत सरकार)
MINISTRY OF RAILWAYS (रेल मंत्रालय)
RAILWAY BOARD (रेलवे बोर्ड)

No. 2012/Sig/TLBI

New Delhi, dt. 22.05.2019

The General Managers
Zonal Railways & CORE/ALD

Sub:- Handle Type Token less Block Instruments - Request of policy revision for procurement directly from RDSO approved vendors instead of through Signal Workshop/HWH/ER.

Ref:- (i) CORE's letter No. CORE S&T/S/Sig/406 Pt.V(workshop) dtd. 28.07.2018.

(ii) Board's letter No. 2001/Sig/B/1 dtd. 31.07.2001.

As per Railway Board's letter under reference (ii) which was issued with concurrence of Finance Dte. of Ministry of Railways, Eastern Railway was made the nodal agency for manufacturing of these Block Instruments including procurement from trade in case demand of Zonal Railways exceeds its in-house manufacturing capacity.

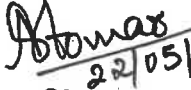

2. Vide reference (i) above, CORE has requested Board's Office to remove the restriction on procurement of Handle Type Token less Block Instruments by Eastern Railway only.

3. CORE's request for removing the restriction of procurement of Single Line Tokenless Block Instrument (SLTLBI) (Handle type) suitable for 25KV RE by Eastern Railway only has been considered in Board's Office. It is now decided that Zonal Railways and CORE can procure SLTLBI (Handle type) suitable for 25KV RE directly from RDSO approved sources without routing through Eastern Railway. However, before resorting to direct purchase from RDSO approved sources, zonal Railways & CORE shall obtain a certificate from Eastern Railway of their inability to supply the SLTLBI (Handle type) suitable for 25KV RE.

5. This has the approval of Member(S&T).
