No. 2017/Sig./Modernization/Signalling

New Delhi dated 31.10.2019

Director General
RDSO,
Lucknow-226011

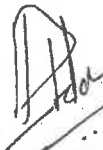

Sub: - Sanction of Signalling Projects deliberated in 34th GCM.

Ref: - RDSO's letter No. STS/C/CBRR/GCM/Vol.XXI dated 10.10.19 & dated 30.10.19

In reference to above, In-principle approval of Member (S&T) is hereby conveyed for Signalling Projects proposed by RDSO. The projects are as under: -

1. Signalling Project-I: TCAS Phase-II Project for having features similar to ETCS Level 2 for higher speeds. In this project, para No. d (5) of "Execution Road Map & Expected Timelines" may also be included in the scope, which is 'Development of interface by ETCS Vendors for compatibility of onboard equipment in TCAS territory'.
2. Signalling Project-II: Solution for Surge and lightning protection for signal equipments installed at way-side.

This is for information and further necessary action.

31.10.19

(Pradeep M Sikdar)
Executive Director/Signal Development
