No. 2015/Sig/A/Fire

New Delhi dated 09.09.2019

CAO(C),  
South Western Railway  
Bangalore

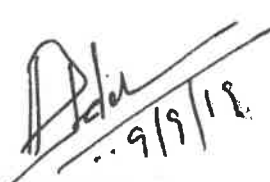

**Sub: Provision of Automatic Fire Detection and Alarm system.**

**Ref: South Western Railway's letter No.W.193/CN/BNC/Genl. Vol.-IV dated 20.08.2019.**

Provision of Automatic Fire Detection and Alarm system is essential requirement for ensuring safety of Signalling Interlocking system provided at a station. A functional Automatic Fire Detection and Alarm system will help to detect any major breakdown of Signal installations due to fire.

The cost of provision of subject system should be included in the estimates of New line, Doubling or replacement works of Signalling Interlocking system. Cost of provision of Automatic Fire Detection and Alarm system should be charged to sanctioned Detailed Estimate.

This has the approval of Additional Member/Signal.
