भारत सरकार (GOVERNMENT OF INDIA)  
रेल मंत्रालय (MINISTRY OF RAILWAYS)  
रेलवे बोर्ड (RAILWAY BOARD)

No. 2023/Sig/17/Cable laying

New Delhi, Dt.06.03.2025

**PCSTEs**

**All Zonal Railways**

Sub: Ensuring timely Meggering of signaling cables.

The periodically testing schedule of signaling cables is prescribed in section-5 of chapter-15 of IRSEM. During a recent review, it was seen that periodically Meggering of signaling cables over some of the Zonal Railways is overdue.

As health of signaling cable is very vital and plays a critical role in performance of signaling system, Zonal Railways are advised to ensure periodically testing as per provision of IRSEM. The requirement of traffic block/disconnections for materialization of the testing should be adequately included in rolling block plan and monitored to avoid cases of overdue testing.
